In
Memory
of

MR. EDWIN GRAVES CANADY, SR.

Hopeful for the world in which he lived,
Sure of the journey he was to make,
Thus, his smile and pleasing personality
Brought to us an understanding heart,
Love, consideration, and abiding friendship.
Though separated for a short while by death,
We shall certainly be reunited with him
In the resurrection that is to come.

"Eye hath not seen, nor ear heard, neither have entered into the heart of man, the good things which God hath prepared for them that love Him."

I Corinthians 2: 9

We Dedicate

To Our Parents

To thank you, in some small way, for all your help and support these past eighteen years, and give some token of our gratitude and esteem, we, the Senior Class of 1962 of Parkton High School, dedicate this edition of OUR SPARKS to you, our parents.

In Appreciation

We, the Senior Class of 1962 wish to thank all those who have made it possible for us to achieve our education.

To Our Parents:

We would like to take this opportunity to express our sincerest gratitude to all of you who have stood by us these twelve years, and for all the sacrifices you have made for us.

To All Our Teachers:

We would like to express our appreciation for everything you have done for us. Your patience and guidance will have made possible opportunities for us in the years to come.

To Mr. Morgan:

Please accept our sincere gratitude for your guidance and counsel through the past few years, for your healing sympathy for our deeply imagined injuries and the shining example you have set for us.

To The Board of Education:

We give our thanks for all you have done for the school and its students, and are very grateful for your helping to see that every boy and girl gets a chance at an education. To you we are deeply indebted.

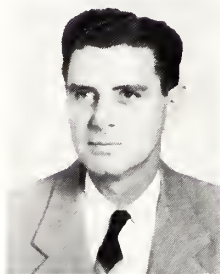

Our most hardy thanks to everyone in the Town of Parkton and elsewhere who has helped us through their support and co-operation through our school years.

Class History

In early September of nineteen hundred and fifty-eight a group of eager Freshmen entered Parkton High School with high hopes for the future. Our sponsor for the year was Mrs. Margretha Mitchell. We elected the following to serve as class officers: Norma Stephens, President; Herbert Carter, Vice-President; Betty Harrell, Secretary; and Tommy Carroll, Treasurer.

The following year we came back as Sophomores. Under the faculty leadership of Martin Poyner we went to work with great anticipation. Elected to serve as officers for the year were Tommy Carroll, President; Doris Brisson, Vice-President; James Malloy, Secretary; Betty Harrell, Treasurer. The main event of the year was the initiation of five of our members—Frances McMillan, Norma Stephens, Doris Brisson, Flora Odom, and Bill Newton—into the National Beta Club. We closed our Sophomore year with a picnic at Lakewood.

The next year as Juniors we were under the leadership of McKinley F. Hall, Jr. Serving as officers for our Junior year were James Malloy, President; Frances McMillan, Vice-President; Betty Harrell, Secretary; Patsy Crenshaw, Treasurer. In early January of that year we received our class rings. On May 12th we entertained the Seniors, the Faculty, and the members of the School Board, with our Junior-Senior Banquet and Prom, "Stairway to the stars."

Selected to serve as marshals during the Commencement Exercises that year were Frances McMillan and Norma Stephens, Co-Chiefs; Ruby Allen, Doris Brisson, Joan Mabe, and Bill Newton.

SENIORS!...At last the long awaited day had come. Serving as our sponsor for the year was Mrs. Frances S. Gibson. The officers chosen to lead us through the year were Bill Newton, President; Herbert Carter, Vice-President; Patsy Crenshaw, Secretary; James Malloy, Treasurer; Sam Bunnell, Sergeant-at-Arms. We worked very hard on our edition of OUR SPARKS, but with Mrs. Pat Lewis serving as our sponsor, we thoroughly enjoyed our work.

As the time of our departure draws near we look back and realize that Parkton School has meant a great deal to us in these last twelve years. We wish to thank every person who has had a part in helping us through these years of pleasure and hard work.

Prophecy

Class of 1962

Last night I had a startling dream
I'd like to share with you.
The members of Sixty-two, it seemed,
Had settled what they would do.
The year of Seventy-two was here
And I watched with enjoyment keen
The picture of each good friend's career.
Come—Let me present the Scene.

RUBY ALLEN has finally landed a job as secretary for the "Baby Ruth" candy company.

BILL BOOTH has just been elected president of the combined companies of Du Pont and Chemstrand Corporations. He also writes Science fiction.

DORIS BRISSON has been appointed principal of Parkton High School. She has replaced French with Latin.

SAM BUNNELL has been doing very well in the car business. He had opened "Sam's Plymouth Sales," no wonder he was driving a new plymouth.

JOYCE BUNNELL has opened a Drive Inn in Saint Pauls called "Buddys."

HERBERT CARTER has been moved from produce manager at Winn-Dixie because he couldn't resist eating all the bananas before they were sold.

TOMMY CARROLL was head mechanic on JACK CRENSHAW'S racing cars. They were doing quite well. Jack had won the Indianapolis "500" five straight years with Tommy's new atomic-powered engine.

PATSY CRENSHAW was in charge of "Parkton Beauty Shop." She had designed many new hair styles for Hollywood movie stars.

DAWN CRUMPLER was manager of the "Massey Hill Drug Company" in Fayetteville. She finally made her residence there.

BETTY HARRELL can now afford her expensive clothes because she is now part owner of the "Capital" in Fayetteville.

JAMES MALLOY was president of the Pure Oil Company. His company had started 27 gas wars in five years.

ALEX McCALLUM was head basketball coach at N.C. State. His boys had won the championship for three straight years.

FRANCES McMILLAN is now a model for Bill Cullen on The Price is Right.

MARIE MUSSELWHITE was teaching English at Parkton High School and keeping house on the side.

BILL NEWTON was a top flight construction engineer, building new churches.

FLORA ODOM was still fishing around in Saint Pauls, but I think she had about caught her "fish."

TOMMY SMITH was a test pilot in the U.S. Air Force. He was stationed on the moon in charge of "Operation Moon-shine."

NORMA STEPHENS was head nurse at South Eastern General Hospital in Lumberton. Doctors watch out!

SUE STEPHENS was head of the Department of Motor Vehicles. Well, "Wong," that's one way to get your licenses.

Well, that's the dream I had—of the Seniors of "'62,"
Ten years from now we'll meet, and see if it comes true.

- I, JOYCE BUNNELL, will my ability to date all the nice looking boys in St. Pauls to Margaret Bunnell.

- I, MARIE MUSSELWHITE, will to Wanda Council my ability to get married and still finish school.
- I, FLORA ODOM, will my love for older boys to Carol Jean Jackson.
- I, BILL NEWTON, will to Jack Williams my cherubic smile and air of angelic innocence which has endeared me to the faculty members for years and saved my neck on innumerable occasions.
- I, TOMMY SMITH, will my love for the faculty and my office in The Parkton Chapter of The F.F.A. to my brother, Terry.
- I, NORMA STEPEHNS, leave my ability to make first string on the basketball team for three years to my sisters.
- I, SUE STEVENS, will to Dawn Church, all my quiet and lady like ways.
